

Islip, NY – Councilmen John Edwards and Steve Flotteron recently attended the Tri-ing for Kids Team Recognition event at Captain Bill's in Bay Shore.

Tri-ing for Kids was started by Doug Rabin in 2007 as a way to raise funds for charitable organizations that benefit children while encourage individuals, regardless of their athletic experience, to train and compete in endurance events for a cause that is bigger than themselves.

The funds raised by Tri-ing for Kids have gone to benefit Schneider Children's Hospital, Memorial Sloan Kettering Cancer Center, North Shore LIJ and the Great South Bay YMCA among others. Councilmen Edwards and Flotteron presented Doug Rabin with a citation from the Town Board in recognition of his work with Tri-ing for Kids.
